

Clinton Historical Preservation Commission  
February 20th, 2008

Present - Wood, Crawford-Jones, Baka,  
McGaheeran, Insel, Lione, Tiboni, Platt, Hansen.  
Ella Haver sat in as a guest.

We may use some of the 2009 budget for a computer.  
The town is tax exempt; Rose will get some vouchers  
for our purchases. It is still possible that the town can  
pay for our computer.

New budget is \$1,600. for remainder of 2008.

John Leonard is donating a carpet for our room.  
Christie will work on the "Historic Clinton" Magnetic  
sticker with a rendering of the mills on it.

The new homeowner's bags will have a reprint of an  
old brochure in it.

We are looking for a bookcase in which to display old  
school memorabilia.

Christie will work on a new donations box.

Rose, George and Laurie have been working on the  
Ordinance. Carl Hintz will advise.

The website architect will be at our March meeting.  
Our website is [Historicclinton.com](http://Historicclinton.com) until 2010 when it  
expires. It cost \$85. for 5 years.

We presented Jane's Hallmark with a plaque of  
recognition on a great job done on restoration. Cy Fox  
could not be present, so Allie McGaheeran accepted  
his plaque for him. Allie then presented all with a slide  
show of historic Clinton.
