

Clinton Historic Preservation Commission Minutes of meeting March 18, 2009

Members Present- Platt, Leddy, Baka, Mc Gaهران, Wood, Insel, Hansen

It's budget time; we'll get the same as last year- about \$1,500.

We'll consider having Christie paint a scene on the front of the fireplace board in our Leigh St. room.

Placques need to be made and placed on our furniture. Not necessarily brass, but possibly just nice paper and type. All our furniture has come from interesting places, like the bench which was once used in the first Subscription School on West Main St.

Laurie has some slides that need to be converted with a computer gadget.

John Leonard will receive a receipt for \$1,000. for his donation of our rug. Allie had it appraised.

John Hurley has asked us for a proposal for things that our commission needs. He will hopefully choose to donate one or more of the items. Rose will get two estimates from carpenters for the construction of the wall unit. One of the craftsmen will be Art Dysart.

Applications have gone out to interested people to fill the empty position on our commission. Rose has suggested that she meet them outside of our commission meeting in order to expedite the selection. Allie disagreed with this idea.

Ordinance has to be completed; there will be a meeting on Wednesday the 1st of April and all members are encouraged to attend. 7pm.

We need to purchase lucite sleeves from Michael's or some such place for info to hang next to our display items.

Rosemarie has requested that everybody stay until the end of each meeting and that minutes of each meeting are sent to all members of the commission.
