Treasurer's update- \$1893.01.

Recognition Committee- Allie and Marcia say the recognition will be on

Dec.19. Fox House on West Main, Hallmark on Main, and Fox Train depot.

The town has submitted 47 Leigh, Train station and fox lumber for county historic designation.

Worth a look: Grandin Library and Hetzel's.

Allie again mentioned the furniture in the municipal barn and that we need to get a look at it.

Ordinance- Comments were sent to Susan Flynn and Dick Cushing; we're waiting for their replies.

Allie has catalogued 5 tubs of photos for our archives. We need to plan their storage.

Welcome Package Committee- Holly, Laurie, Dorothea. New owners of an historic site would receive package with info.

Holly is working on a magnet with historic scenes of town. Holly has 1800s map that may be included and possibly an info sheet on how to research your home's past. Laurie will find out if we need more walking tour brochures printed.

Red Mill Support Campaign-Ideas on how we, as a commission, can help support the Mill. Maybe sell copies of the 1891 newspaper about the Main St fire.

47 Leigh furnishings- wooden blinds were discussed.

House Tour Oct.7th-- 47 will display the restoration photos. Holly will work on a magnet with the images of some of the homes on the tour.

New Business- Laurie says a copier is coming our way.

Allie plans to be at the municipal bldg. during the tour on the 7th.
