September minutes read and accepted.

Ordinance is ready to go and will be heard at the November 27th council meeting. We need to see Dick Cushing's changes before we get on the docket.

Once on the docket, we have the option to withdraw.

Treasurer's report- Magnets cost \$119.38. Our new balance is \$1773.63.

We need to use up our budget. We will all make a "wish list" of things desired in the space we use at 47 Leigh. George suggests a flat file cabinet to categorize and store items properly. Preservation is our first priority, then we can think about frames, etc.

Laurie will ask Ceil to do a press release about the county awards for the Vision Study, Fox Lumber and our Green efforts.

Helen Fox Apgar will be invited to the December recognition ceremony.

Archival Update- Rose has not yet found a photo to assist in the Rectory restoration. She also had noticed some slides that now can't be found. Allie says that all yearbooks have been catalogued. We all plan to go individually during daylight hours to look at the items in the municipal barn that may be of use to us.

Welcome Package Committee- Dorothea says it's organized. We could gather our own info and make a simple brochure, or reprint one that was made in the past.

Rose has asked for help with the Haunted Mill campaign. A grant may possibly come thru in Dec. to help the Mill with it's sprinkler system and roof. Allie has talked to the Clinton Women's Club about the possibility of putting out donation jars. Rose proposed a quilt auction of one of Mary Lowe's creations. Possibly a dinner and silent auction; nothing fancy.

We need to establish monthly office hours for 47 Leigh access. Everyone should look at their schedules.
