

Clinton Historic Preservation Commission  
Minutes of meeting-- November 18, 2009

Members present: Platt, Leddy, Baka, Miller, McGaheran, Crawford-Jones, Wood, Hansen.

We discussed whether or not George Tiboni should step down due to inability to attend meetings. He could still work on the Ordinance. We would replace him around the first of the year.

The treasurer reports that we have a remaining balance of \$910.75

Rosemarie purchased some photo storage boxes. Scanning photos is now a priority. Our new computer is now in place in our meeting room.

We will have the large photo mural taken to Hetzel's and mounted onto foam core. We will also use some of our funds to have a few of our photos framed.

John got a comprehensive estimate on the cost of making postcards. We are leaning toward making note cards with envelopes instead.

Allie will gather several other photos and Rose will take them to Picture Perfect. Richard suggests checking out the price at High Bridge Printing.

Marcia and Carol presented the finished Welcome Bag. The bags alone will cost us 50 cents apiece.

Our next scheduled meeting is December 16th.
