

TOWN OF CLINTON

INCORPORATED APRIL 5, 1865

43 Leigh St., P.O. Box 5194

Clinton, N.J. 08809-5194

(908) 735-8616 FAX (908) 735-8082

Application Procedure for Fire Safety Tent or Open Flame Permits

1. Complete a Fire Prevention fire safety application for each type of activity (1 for the tent & 1 for the open flame/propane tank/s)
2. The applicant shall submit the flame certificates for all parts of the tent/s and sides (when sides are to be used)
3. If propane tank/s are to be used, list the number of tanks and the size of all the tanks to be used and stored on site
4. A layout is needed to indicate where all of the tents will be located on the specific property. (A neat hand drawn document is fine. The tent/s should be shown in relation to other buildings or public ways or property lines)
5. List the size of all of the tent/s on the application and the drawing
6. Indicate on the drawing the number of people proposed and indicate the type of seating arrangement planned (i.e. round tables with 8 chairs or rectangular tables with 10 chairs)
7. Make sure each application is entirely completed and signed!
8. Submit the required fee for each application (Type 1 fire safety permits are currently \$42.00)

Any questions please call 908-735-2275. Applications may also be downloaded via the Town website, www.clintonnj.org. Go to Fire Prevention and click on the Fire Safety Permit Application (pdf)
